PERSONAL DETAILS

- Current Location   Ernakulam
- Date of Birth   Jun 21, 2002
- Gender   Male

SOFT SKILLS

- Creativity
- Adapatability
- Problem Solving
- Time Management

TECHNICAL SKILLS

- HTML / CSS
- Javascript
- Bootstrap
- Python
- Microsoft Office

LANGUAGES KNOWN

- English
- Malayalam

OTHER INTERESTS

- Video Editing
- Photo Editing
- Videography
- Photography

EDUCATION HISTORY

Course	B.Tech (Computers Science)
College	KMEA Engineering College, Aluva
Year of Passing	2024
Grade	6.5/10

Class XII

Board	CBSE
Year of Passing	2020
Grade	75.6%

INTERNSHIPS

NextGenPro Innovations
Gained a solid foundation in the fundamentals of machine learning, including supervised and unsupervised learning.

PROJECTS

Vision Pro
- An innovative virtual healthcare app, our project merges meditation, health recommendations.
- Utilized a VR headset, made a virtual reality using UnrealEngine.

AI Crop Recommendation using AI & Machine Learning
- Developed a website that recommends best crop for all weather and soil conditions.

Build a Resopnsive Website
- Developed a Responsive website using Bootstrap.

COURSES & CERTIFICATIONS

- **Full Stack Development** (Ongoing Course)
- **NPTEL** : Introduction To Soft Computing
- **IBM Cognitive**: Python 101 For Data Science
- **IEEE Workshop** : Artificial Intelligiance And Machine Learning
- **NIELIT** : Boot Camp On "Allied Technologies For UAS/Drone"
